

Presbytery of Redstone

Communicate the Word...Carry on the Work...

Change the World.....Together!

January Gathering Highlights

- **As we do each year, the Presbytery installed its new leadership with a new Moderator and Vice Moderator. With this ceremonial “passing the gavel,” Rev. Sue Washburn (Reunion) begins her term as Moderator with RE Joshua Scully (Laurel Hill) assuming the role of Vice Moderator.**
- Similar to each of our sessions, Redstone Presbytery acted to approve its own Child/Youth and Vulnerable person protection policy covering all presbytery events and activities.
- **On behalf of the Addictions ministries network, Rev. Pete Goetschius shared a personal story concerning his own experiences with a family member. The network spoke of their initiatives and reminded all of us the prevalence of these issues not just in our communities, but in our congregations.**
- Rev. Jim Farrer and Rev. Carole Isley Corey led the Presbytery through an abbreviated service of healing prayer on behalf of one of our presbyters not only benefiting that person, but serving as an example of this important ministry for each of our congregations.
- **The proposed new Directory of Worship (16-H) was discussed and debated as is the case in presbyteries across the country. Upon conclusion of this discussion, the vote was taken with Redstone Presbytery endorsing approval of this revision by a vote of 37-17.**
- Rev. Michael Shepard was present and honored as he received Honorably Retired designation status from the Presbytery of Redstone. Similarly, Rev. John Michael was also designated Honorably Retired with affirmation for his ministry.
- **Uplifting reports were offered on behalf of Pine Springs Camp, one of our candidates and participants in the annual Confirmation Retreat. Additionally, Sylvia Carlson shared about the history and current situation of our South Sudan partner.**
