

# Presbytery of Redstone

*Communicate the Word...Carry on the Work...*

*Change the World.....Together!*

## March Gathering Highlights

- Meeting in District III at the Ft. Burd Presbyterian congregation in Brownsville. From the music of leadership of "Outpost " to the preaching of Rev. Katy Brungraber to folks who prepared the meal and took care of the logistics, we are indebted to them for their willing service and leadership for our Presbytery.
- Preceding the Presbytery, participants were given an opportunity to hear from and meet with our Pensions liaison, Rev. Doug Portz who also presented the various BOP programs at the gathering.
- With the leadership of Rev. Alice Tondora and Ruling Elder Lynn Mance, the Addictions ministry network modeled worship resources in addressing the needs of those who are experiencing the difficulties of addiction for themselves or others in their circle.
- Rev. Noftzger led the Presbytery in focusing on our strategic priority of "Equipping Leadership." Emphasizing our identity as servants, who assume leadership responsibilities, we explored the ways to support and resource such leadership formation.
- As part of the Committee on Preparation report, Rev. Caroline Vickery introduced David Deutsch in order that he might be moved to candidate status. After inquiring about David's call to pastoral ministry, he was approved as a candidate under care of Redstone Presbytery. David is a second year student at Pittsburgh Theological Seminary and a member of the Level Green Presbyterian Church.
- Greg Davis reported on "numbers" of PSC, but most of all shared the letter and testimony of an 11 year old girl about the effect of the ministry. The PSC "Faith for the Future" campaign has now reached 1.66 million. Only 140,000 to go...Make your pledges now to reach the goal.
- Nominating Committee proposed and the Presbytery approved the following people as ordination exam readers: *Rev. Ken Foust; Rev. Caroline Vickery; RE Ray Edelman; RE Lynn Mance.*
