

Presbytery of Redstone

Communicate the Word...Carry on the Work...

Change the World.....Together!

September Gathering Highlights

- A great celebration of our shared camping ministry took place as both Redstone and Washington Presbyteries gathered together at Pine Springs Camp. The “Faith for the Future” capital campaign has reached \$1.8 million in pledges. Greg Davis noted the total summer camp numbers which have exceeded 1000 and we heard the testimony of a former camper and Timothy Team member.
- Madam Achol Majok Kur Kier spoke with us about the dire situation in South Sudan and their labors in peacebuilding. She identified their need to “silence the guns” and asked for our prayers and support in their efforts in peace and in relief. She came to us as part of the International Peacemaker program(PCUSA).
- **Nominations for the 2018 General Assembly were completed. Additional nomination for standing committees were approved.**
- Joyous worship with both presbyteries took place. Music was graciously led by the Puckety Praise Team with both moderators and Executive Presbyters serving as liturgists and presiding at the Lord’s Table. Synod Executive proclaimed the Word in emphasizing the Lord’s presence “in the neighborhood” of our world.
- **The Presbytery of Redstone examined and welcomed Rev. Ed Gray and approved his call to serve First Presbyterian Church, Murrysville. Rev. Kirk Orr (Puckety) was honored for his service and was designated Honorably Retired, effective December 31.**
- With the recommendation of the Council, the Presbytery acted to renew the contract for leadership for Rev. Skip Noftzger to continue to serve as Executive Presbyter.
- **Minimum terms of call were established for 2018, along with a recommendation for a three percent salary increase for experienced and continuing pastoral leadership.**
