

# Presbytery of Redstone

*Communicate the Word...Carry on the Work...*

*Change the World.....Together!*

## November Gathering Highlights

- **The Presbytery of Redstone was graciously hosted by both the Delmont and Reunion Presbyterian Churches with special music provided by the Delmont bell choir. Rev. Sue Washburn challenged us to look for God's leading in times of uncertainty.**
- In the midst of our coming together, we paused to remember the life and ministry of our colleague, the Rev. Dr. Robert Fuehrer. Rev. Fuehrer had been actively serving as the pastor of the First Presbyterian Church of Jeannette.
- **Executive Presbyter reminded us of our calling based upon God's mission. Together, we are called to live by faith, to embody love and to act in hope with prayerful expectation of what God is doing and will be doing in our midst.**
- Celebrating the generosity of twenty-five congregations (and individuals) through matching the Abundance grant with additional contributions of \$13,679 for relief efforts for the South Sudan Presbyterian Evangelical Church. Our continued prayers and advocacy are needed for our brothers and sisters in this time.
- **Rev. Dr. Hunter Farrell provided an overview of the importance and relevance of world missions within the Presbyterian Church. Representing the World Mission Initiative of Pittsburgh Theological Seminary, he offered ways that both congregations and the presbytery might be mobilized in our missional calling.**
- In anticipation of a Presbytery-wide collection project, the Addictions ministry network provided the opportunity to speak about the "Hope in a Bag" mission in our region.
- **The 2018 budget and spending plan was passed with a recognition of the need for greater support from Presbytery congregations. We also welcomed two new pastors into our ministry with the entrance of Rev. Douglas Marshall (Interim-Puckety) and Rev. Rick Sweeney (Honorably Retired).**
