

Presbytery of Redstone

Communicate the Word...Carry on the Work...

Change the World.....Together!

March Gathering Highlights

- **Despite the threat of the “noreaster,” many faithful souls gathered together for an expedited meeting. Hosted graciously by the folks of First Presbyterian, Belle Vernon, we received generous hospitality, worship leadership, and a choir anthem. Thank you this congregation for making this gathering possible.**
- Many congregations brought boxes of supplies for the “Hope in a Bag” mission project. While there were too many to carry upstairs, Rev. Lee McDermott led the Presbytery in prayers to consecrate these offerings as expressions of hope for those recovering from addictions.
- **Based upon our shared overture to the General Assembly on the need for support, prayer and action in the conflict in the South Sudan, Redstone elected Rev. Sylvia Carlson to serve as our Overture Advocate during the gathering at our national council. Our partnership with the church in South Sudan makes this cause about real people that we know.**
- Glen Hart and Bob Prinkey were commissioned again for ongoing service to the Presbytery in the respective congregations they pastor. Additionally, Glenn delivered the sermon focused on Mary and entitled, “Nothing is Impossible” during our time of worship.
- **Nominees for new members to the Pine Springs Board and the Committee on Ministry were submitted to and approved by the Presbytery. As always, we are looking for ruling elders who are capable and willing to serve in leadership roles for the larger church.**
- The Committee on Ministry welcomed a “new” colleague to Redstone Presbytery. Although coming from Pittsburgh Presbytery, Rev. Jay Lewis originally began his ministry in our midst. Investiture of the Redstone stole was bestowed upon Rev. Lewis.
