- GA Commissioners offered oral reports elaborating on their experience at the biennial gathering of our denomination. Recognizing our desire and ability to be together even with important issues with which we may not always agree. Of particular note, Rev. Washburn spoke of the Commissioners resolution that she initiated on encouraging congregations to address the opioid epidemic.
- **The Committee on Ministry presented, and the Presbytery approved an increase of 2% in the minimum terms of call and an increase in study leave provision. The Presbytery also approved a recommendation to congregations to consider a 3% salary increase for experienced pastors.**
- Rev. Sylvia Carlson was recognized by the Council and Staff Support Committee for her many years of service in various Clerk roles on behalf of the Presbytery.
- **Board of Pensions consultant Rev. Ayana Teter updated the assembly on new programs to serve both congregations and pastors in this upcoming year. They included debt assistance, new possible coverages and support for congregations who have not had an installed pastor in a few years.**
