

# Presbytery of Redstone

*Communicate the Word...*

*Carry on the Work...*

*Change the World.....Together!*

## May Gathering Highlights

- Presbyters of Redstone gathered in First Presbyterian, Murrysville to hear God's call and promise to "bring life to the dry bones." Led in worship by the pastor and choir of the host congregation, commissioners participated in worship together. We celebrated together this living presence around the table of the Lord.
- The Mission network spoke of current plans for support of the South Sudan Presbyterian Evangelical Church and asked for contributions toward the relief funds needed for fellow members of the body of Christ who remain displaced.
- **Additional proposed amendments to the constitutional documents by the last General Assembly were considered for ratification by Redstone Presbytery. Each amendment will need to receive support of a majority of presbyteries within the PCUSA.**
- During the gathering, we focused on the impact of two former colleagues as memorials were presented on behalf of Rev. Gary Close and Rev. Keith Conover.
- **After many years of active service and as a member at large, Rev. Dr. Bruce Cadenhead was honored and designated as "Honorably Retired" by his colleagues.**
- Pine Springs Camp reported continued high enrollments but emphasized there is still "room" in some weekly camps. Congregations were encouraged to "adopt" a summer staff member for support through prayer, cards and snacks.
- **Presbyters were given a "taste" of the webinars being offered across PA and WV by our own Addictions ministry network during the month of May.**
