

# Presbytery of Redstone

*Communicate the Word...*

*Carry on the Work...*

*Change the World.....Together!*

## March Gathering Highlights

- **The Presbytery was treated to the gracious hospitality of the members of the Westminster Presbyterian Church as we considered a number of overture and policy issues.**
- Executive Presbyter Skip Noftzger offered reflections on the need for us as a presbytery and as congregations to engage in a little “spring cleaning.” Discerning the way forward both in retaining tradition and embracing change remains our faithful challenge.
- **Presbyterian Disaster Assistance and their good work will be the featured mission promoted by the Mission Committee during the summer months at the mission cabin of Pine Springs Camp.**
- Overtures were approved concerning flexibility in candidate preparation, approval for exceptions to minimum presbytery size, and the necessity of child protection policies. Overtures defeated related to changing the wording on our interreligious stance and restrictions on those who have “renounced jurisdiction” as a teaching elder. Amendments are made if a majority of presbyteries approve.
- **Rev. Laura Blank assumed the “mantle” of announcement creator and czar for the meeting. Through a variety of video and powerpoint, events around the presbytery and the region were promoted(see website for some of them).**
- Upcoming dates for Redstone Community gatherings both for ministry networking and for the annual review of minutes were highlighted(Dist.1-April 13; Dist.2-April 27; Dist.3-April 14 ).
- **Rev. Larry Armstrong, through the preached Word, brought us back to the core message of our necessary response with Jesus affirmation to love God completely and to love our neighbor as ourselves.**
