

Presbytery of Redstone

Communicate the Word...

Carry on the Work...

Change the World.....Together!

May Gathering Highlights

- **As we convened at United Presbyterian Church of West Newton a generous arrangement of refreshments were provided. Conversations and “catching up” around the table took place in renewed relationships as the Church gathered as the Presbytery of Redstone.**
- Sylvia Carlson, chair of the Missions, challenged us in considering our support for our Presbyterian missions. Without further financial generosity, it will necessitate the withdrawal of mission co-workers from places of great need around the world.
- **Pine Springs Camp reported positive enrollment numbers(2015) and promoted the need to sign up before particular weekly camps filled up. The Presbytery took time to pray for individual staff members for this important Redstone ministry.**
- Upon successful examination, Rev. Caroline Vickery was introduced as the next installed teaching elder for the Delmont Presbyterian Church. The PNC testified to God’s grace in the support received, the process and with God’s call to Caroline.
- **One of our own seminary students, Taylor Barner (Newlonsburg) described his call by the Lord to the ministry of teaching elder. Taylor was approved to move to candidate status.**
- We said “goodbye” to Rev. Chris Enoch as he moves to Kiski Presbytery. With an opportunity to have the Word proclaimed by Rev. Keith Conover, we had the opportunity to celebrate his upcoming retirement and honor him.
- **With sadness, the requests for dismissal by both the Connellsville and Slickville congregations were both received and approved based upon the conditions in the respective reports.**
