The presbytery is responsible for providing worship, preaching, celebration of the sacraments, pastoral care and leadership for its churches (Bk of Order, G-3.0301). To provide proper training for authorized persons to preach and lead worship, and offer other pastoral functions for churches, our five presbyteries have developed a program of core courses, workshops, and supervised ministry experiences.

One purpose of the program is training ruling elders for preaching and leading. Smaller churches are looking for part-time lay pastors (CPs /CREs) to lead them; others rely on lay preachers to do that. Churches of all sizes have occasional need of capable pulpit supply preachers, or may need a trained leader for a particular ministry such as visiting homebound members.

But also, this is available education and enrichment for all elders in our Presbyterian Church (USA).

Do you feel that God is calling you to a type of ministry serving churches week by week? Could this be a vocation where you belong? Opportunities for commissioned service are on the increase, and each presbytery's need is growing.

For more information, contact your presbytery.

How the Program Works

There are three components to this 4 semester program.
