

Stories of Redstone

Christ at work in our midst

Celebrating Pine Springs Camp

It was an exciting summer in the life of our beloved Pine Springs Camp. From the **70th Anniversary Celebration** to the dedication of **The Refuge**, there is much to be thankful for. But in between the big projects, the big events and the big numbers (a ten year high for overnight camper numbers!), it was a very normal summer of camp:

Families dropped off nervous campers and came back on Friday to see kids beaming with confidence.

College students gave their entire summers to tell young people about how much God loves them.

Churches sent their leaders (both clergy and lay) to serve as Volunteer Weekly Directors.

God's Creation was the setting for unforgettable lessons.

Congregations sent care packages to encourage staff members.

Campers learned about Haiti in the Mission Cabin and raised over \$1,000 to send two Haitian girls to school. And:

Jesus touched the hearts of hundreds of kids, their families and their churches.

Just like every summer at camp! Because *each and every year*, Pine Springs is the setting for vital encounters with Christ. Thanks be to God for the ministry of Pine Springs Camp!

Communicate the Word...Carry on the Work...Change the World

Together!
