

Stories of Redstone

Christ at work in our midst Presbytery leadership for the future!

Rev. Laura Blank was baptized, nurtured and shaped within one of Redstone Presbytery's congregations. Nearly five years since her ordination as a Teaching Elder, Rev. Blank will become Presbytery Moderator for 2019. Concerning Presbytery involvement, Laura notes: *"Any time we get*

together with folks from around the presbytery, we leave with fresh ideas, encouragement and a sense of how connected we all are." Serving as Presbytery Moderator she models and expresses that *"when we engage in the larger work of the church, we get a panoramic view of what Jesus is up to in the world. We can start to see how our "little c" church is part of the "big C" Church!"* With her proven, varied skills as pastor, musician, teacher, animal wrangler, pancake flipper, costume designer and gardener, we look forward to her leadership among us.
